## FREE WORKSHOPS

Effie and Marian welcome all to come to these free to the public garden share workshops. These are expected to be approximately 30 to 60 minutes in length dependent upon number and participation of attendees. We encourage everyone to bring your garden experience and stories to share with the group.

*(Workshops will be held outside in the gardens and may be postponed or cancelled due to inclement weather. If the workshop can be rescheduled at a later date, a poster announcing new dates and times will be posted as soon as possible.)*
